The end of one thing is the beginning of another, and this image points toward nonattachment as a spiritual ideal. When all things are seen as being equal, a feeling of great compassion for all beings arises. The divine couple of Shiva and Parvati (also known as Girijaa or Shakti) symbolize the union of form and energy, renunciation and fidelity, and victory over the endless cycle of death and rebirth. Translation:

Salutations to the Goddess who resides in all beings in the form of:  
{wisdom, light, abundance etc}

To that constant, eternal Presence, I gratefully offer myself again and again.  
The feminine energy or nature resides in all beings (RupenaSansthita). As the flow of life,  
she is expressed in us as wisdom (Buddhi), sleep (Nidra), the shadow (Chaiya),  
misunderstanding (Bhranti), peace (Shantih), contentment (Tushti), abundance (Lakshmi),  
Matri (Mother), Daya (Compassion, Kanti (Radiance) and Shakti (primal Source Energy).

#### **Closing Blessings:**

**We close with a universal prayer of blessing for the welfare of all beings throughout creation:**

Lokha, Samasta Sukino, Bhavantu X3

Om Shanti, Shanti, Shanti-e

*May all beings, in all worlds be blessed with freedom, health and happiness*

*Om, we invoke the Divine Primordial Source Energy to infuse us with*

*Peace in all bodies, Peace in all minds, Peace in all souls.*
